If you need assistance in completing the form, call 1-800-PTO-9199 and select option 2.

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application of

ASHBY, et al.

Patent No. 6,869,321

For: Dual Female Electrical Connector and  
Connector Module

Application No.: 10/608,144

Filed: June 30, 2003

Atty. Docket: 3075.021

**REQUEST FOR CERTIFICATE OF CORRECTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Applicants respectfully request pursuant to 37 C.F.R. 1.322 that the commission correct an error in the above-reference patent that occurred through a mistake by the patent office. Specifically, at col. 6, line 31, the first line of claim 1 incorrectly reads as follows: "1. An interface for electrically connecting a at least one". In Applicants' March 25, 2004 Amendment and Response to December 31, 2003 Office Action, Applicants amended this claim language to delete the "a" after "connecting" in this first line of claim 1. Apparently, that amendment to the first line of issued claim 1, which corresponds to application claim 24, was overlooked during the printing of the patent.

Applicant has submitted with this Request a PTO Form PTO/SB/44 reciting this correction. If any fees are due in connection with this Preliminary Amendment or if any overpayment has been made in this application, the Commissioner is authorize to charge such fees or credit such overpayments to Deposit Account No. 50-2837.

Respectfully submitted,

DEWITT ROGGIN PLLC
